

In the Specification:

On page 5, please amend paragraph [0012] as follows:

--[0012] The above-described run-flat support member includes a  
annular ~~sell~~shell and elastic rings as main parts.--

On page 17, please amend paragraph [0048] as follows:

--From Table 1, it can be seen that the tire/wheel assemblies of the present  
invention can improve durability during ~~run-flat~~run-flat operation.--
